Multimodal Curriculum Review
Class Events

Directions

Class events, occurring in-person or online, are major actions or tasks that help to compose the curriculum of a course. The guide below lists several common class events and how they can be achieved in both in-person and online environments. After evaluating your class event against the intentionality criteria, use the list below to determine which event style or styles fit best.

	In-Person	Asynchronous Online	Synchronous Online
Direct Instruction			
Lecture	Pre-recorded lecture (flipped)	Pre-recorded lecture	Pre-recorded lecture (flipped)
	No lecture/guided reading	No lecture/guided reading	No lecture/guided reading
	Live lecture		Live video conference lecture
Readings & videos before class	Post online/assign	Post online/assign	Post online/assign
	Review during live class		Review during live class
Guest speakers	Pre-recorded	Pre-recorded	Pre-recorded
	Live in class	Optional live event	Scheduled live event
Practice/Engagement
